

MUHAMMAD AMIR AMSYAR BIN ZAIN AZMAN

amiramsyar909@gmail.com • +6014-6993203 • Putrajaya, Wilayah Persekutuan Putrajaya

SUMMARY

Highly motivated Information Systems Management student with a proven academic track record and hands-on industrial training experience. Passionate about leveraging technology to solve problems, with foundational knowledge in web development, database management, and user experience design. Eager to contribute technical support and system administration skills to a dynamic IT team during a professional internship.

WORK EXPERIENCE

Kementerian Pendidikan Malaysia (KPM)

22 July - 13 September 2024

IT & Technical Assistant (Industrial Training)

- Assisted the Senior Assistant Information Technology Officer with daily technical operations, troubleshooting hardware and software issues to ensure minimal downtime for staff.
- Internal System Development: Designed and deployed a centralized departmental portal using Google Sites.
- IT Helpdesk & Support: Provided comprehensive Tier 1 technical support to staff, guiding users through system updates, software configurations, and resolving daily operational IT issues.
- Hardware Maintenance: Managed the deployment, installation, and replacement of computer workstations, and hardware issues for departmental printers.
- Event Technical: Supported behind-the-scenes technical setups for departmental programs, assisting with the configuration, coordination, and management of audio/visual systems, projectors, and event infrastructure.
